

State Weed Coordinator's meeting  
December 6, 2018

- Railroads: most states have ongoing problems
  - Dennis Mirabal from BNSF, 505-301-8411, [dennis.mirabal@bnsf.com](mailto:dennis.mirabal@bnsf.com)
  - Sean will draft a letter from State Weed Coordinator Alliance to send to all the railroads, Dave would like to have letter out by end of January, Steve will email coordinator letterhead
- State weed coordinator alliance:
  - MOU, lost in Idaho (gives authority from directors to meet, formalizes agreement), have addendum for states not currently included
  - Dave will send it out, then coordinators can have a conference call
- Conference:
  - Keep focused on policy, including field trips and speakers
  - What kind of policy barriers, what is working
  - Structured outline of what states should be talking about
    - Carol will develop template and send out 3 months before the meeting
- Interagency weed management
  - PTI no longer going to be funded, foundation didn't want to house the grant
  - Slade will call PTI and let group know what he finds out
- ISAC
  - Slade will share most recent white paper
  - Is there a value to have ISAC?
  - Are there things ISAC could be addressing?
- Slade made motion to write letter of support for Megan's sage grouse document
  - Sean will sign for coordinator's alliance
- WGA
- National Plant Board
  - Reps should know what WWCC is doing
  - They have insight on Farm Bill, would like to get terrestrials more recognized
- NAISMA and PCG campaign
  - Possibly get Belle Bergner to come talk
  - Invite reps from NAISMA and PCG

Meeting adjourned at 3:15p.m.
